A QUICK LOOK

- ◆ Fall Registration ongoing
- ◆ Register for the September 12 Fieldtrip
- ◆ Plato's Place—August 21st at 11:45 in Rm. 330

ROOSEVELT UNIVERSITY'S NEW WABASH BUILDING AND THE INTERNATIONAL MUSEUM OF SURGICAL SCIENCE FIELD TRIP

THURSDAY, SEPTEMBER 12 - 9:30AM—4:30PM

'THIS TRIP IS OPEN TO NON-MEMBERS'

Tour Roosevelt University's new Wabash Building.

The building is 32 stories and 469 feet high. It's the 2nd tallest university facility in the US and the 6th tallest in the world. After the tour, lunch is 'on your own' in the school cafeteria. Then, the group travels north to the International Museum of Surgical Science, one of Chicago's most unique and educational museums.

Please [register](#) in the Center by August 30th.

ICLRU Intrepid Travelers Meeting

Monday, August 19th, Rm. 314 at 11:45 am.

NOTES FROM THE CENTER

Registration for Fall study groups is ongoing. Be sure to register by August 26th to be eligible for any lotteries for overbooked classes. [Click here](#) to register. Confirmation letters will be sent on September 9th.

Did you know that ICLRU was a member of the Road Scholar Institute Network?

ROAD SCHOLAR®

Institute Network

The Road Scholar Institute Network (RSIN) is a voluntary, dues free association of more than 400 Life Long Learning Institutes (LLI's) throughout the country. Check out their web site for more information on the LLI movement. [Click here](#).

PLATO'S PLACE

PLATO'S PLACE

Wednesday, come to Plato's Place for some lively conversation. Bring your lunch and join the group in room 330 at 11:45 am.

August 21st is **Mr. Long's Topic**.

Our recent Field Trip to the Argonne National Laboratory was a great success. Included are a few pictures of the trip.

The Nuclear Energy Exhibit, showcases Argonne's rich heritage in the development of nuclear reactors and its current role in the development of next generation reactors and fuel cycle technologies and;

The Advanced Photon Source (APS) is one of the most technologically complex machines in the world. This premier national research facility provides the brightest high-energy X-ray beams in the Western Hemisphere to more than 5,000 scientists from around the United States and the world.

ICLRU is a 501(c)3 Non-Profit organization. While affiliated with Roosevelt University, the ICLRU is run by its members, through an elected Board of Directors and the Chairpersons of its various committees. All persons on the Board and the committees are volunteers. All members are encouraged to participate to keep the organization vibrant.

Membership is open to seniors, age 55 and over, who have reached a point in life where they want to pursue their interests in a continuing learning and social environment with a group of like-minded peers.

ICLRU'S MISSION AND VISION

The mission of the ICLRU is to offer its members a non-credit, non-degree educational program together with social and cultural opportunities through which older adults may share their talents, experiences and skills.

Our Vision: To enrich our members' experiences, while making the ICLRU an essential organization for Roosevelt University and our larger community.
