**Tuesday, Oct. 8** — Along the Beaten Path with Henrietta Leary: *Winnie Christensen is going to share with us her fascinating life experiences. Winnie was born in China to American Missionary parents. She was attending a British boarding school there when WW II began. The Japanese came to the school and took Winnie along with the other children, to a prison camp in China. There she was interned as a prisoner of war and after not seeing her parents for several years, she was finally released by repatriation in a prisoner exchange program.*
