6. Treasurer's Report
   Balance Sheet Total Liabilities and Equity is $139,011.10 as of July 31, 2013. The Finance Committee agrees that finances are good and that the organization has no financial problems.

   The current insurance policies with State Farm for Liability and Directors and Officers (D&O) coverage are sufficient for the Board to sign off on RU’s Release Statement in the Facility Rental Agreement.

   The Certificate of Coverage for Liability and the current proof of coverage is provided to RU every year, and has been accepted without question.
One policy costs $475 and the other policy costs $677. One policy was paid in April and the other was paid in July.

Don Carlson will research the details of the D&O coverage prior to renewal.

Selwyn Schwartz recommended that we increase coverage on the medical side, and get an estimate for a liability umbrella policy, to provide additional coverage in the event of a catastrophic claim(s).

The Finance Committee meeting was held this month. The recommendations of the Committee, as shown in the Treasurer's Report, were each discussed.

Jack McKee, Finance Committee Member, made a presentation to the Board and recommended that membership dues be reduced. There was a general discussion about future expenses. Kathie Newsted recommended that the Board review ‘surpluses’ and ‘earnings’ in the future.

7. New Business
   a. Review and approval of the Facility Rental Contract, with a term of September 1, 2013 through August 31, 2014. This Agreement includes the following revisions, requested by ICLRU:

   - If ICLRU is to relinquish its reserved classroom space we would like ample notice (10 days).
   - The terms of the contract may only be altered by a mutual, written and signed agreement between the university and ICLRU.
   - Strike the sentence referring to ICLRU’s use of university telephone and university computers in room 316.
   - RU eliminated the $50.00 room cancellation fee.

   The term is consistent with RU’s fiscal year, but not with ICLRU’s fiscal year. The ICLRU Board’s request to extend the term of the Agreement to three years for planning purposes (budget and impact of increased membership dues) was denied at this time.

   Formal Approval of the Facility Rental Agreement
   
   **Motion by Debby Miller, 2nd Kathie Newsted**

   Further discussion.

   **Debby Miller Called the Motion: 7 in favor, 1 opposed, motion carried.**

   b. Multi-Media Services (MMS) Fees
      
      MMS offered to train ICLRU coordinators on the equipment, if that is something that ICLRU wants.
There was discussion of the MMS fees and the recommendations of the Finance Committee.

Motion to approve, Debby Miller, 2\textsuperscript{nd} Kathie Newsted. The motion was withdrawn after discussion.

New motion to approve the MMS fees with the stipulation that the charges be part of a written agreement with RU for the same term as the Rental Agreement. For budgeting purposes, initial fees will be: fall and spring sessions $500 each; and winter and summer sessions, $300 each for a total of $1,600. Fees are subject to review after one year.

\textbf{Motion by Selwyn Schwartz, 2\textsuperscript{nd} Debby Miller, motion carried.}

c. Motion to increase membership dues to $150 per year effective January 1, 2024 for new memberships and for renewals as they occur.

d. Formal motion to approve the draft Membership Notification with the following stipulations: the current dues amount will be deleted, specific references to other LLI’s will be deleted and wording will be added so that members immediately know the purpose of the letter.

\textbf{Motion by Debby Miller, 2\textsuperscript{nd} Kathie Newsted, motion carried.}
