RU Community Garden on the Schaumburg Campus!

The planting is done at the ICLRU Garden.

We need some helpers now — no gardening expertise required!

What kind of commitment is it? Less than an hour, one day a week on a temporary or regular basis until October 31.

What are the tasks? Water, if necessary, there is water on site. Check to make sure the plants look okay, and share the harvest. We also contribute to local food pantries.

If you notice a problem with a plant, email the group and we’ll check it out.

There is no weeding! Bring your spouse or a friend—it’s very peaceful/relaxing.

Choose a day when you'll be at the campus for a study group class.

Contact: Sue Masterson at skmasterson@comcast.net for more information or to sign up.
