#### A Site Suggestion

1,000 Memories is a free, and easy-to-use way to share pictures, thoughts and other memories with family and friends no matter where they are. Each page can include photos, stories, videos and songs. You can include a biography and a guest book for visitors to share their memories. A great way for out-of-town family & friends to become involved in paying tribute. Featured in The New York Times, Forbes & GQ.
