Notes from the Center

Who Are You?

Several members requested that we resume using our 'tent cards' with our names on them during Study Groups. This is a great way to get to learn names. If you need a 'tent card' pick one up in the Center and use it in class.

Renewals

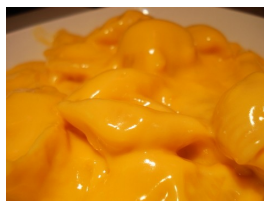

If you renew in Jan. & Feb. — Don't forget to pay your dues to keep your membership up-to-date.

For our Members renewing in March, watch for your renewal letters in early February.

'Melt the Cheese'

Eric Salcedo

Consumer Fraud and Identity Theft January 28

In light of the fact that ICL'ers are 'mature' adults, many of whom live alone and who are computer literate, this presentation will resonate.

Eric Salcedo, Assistant to Attorney General, Lisa Madigan, will talk to us about consumer fraud and identity theft in the high tech age.

You will learn how to protect yourself from identify theft and online scams, how to spot cyber scams, and what to do if you are a victim.
