February 11, 2011

Notes from the Center

The ICLRU Update is going into hibernation for a month. Your friendly Center Manager is fed up with the snow and cold, and will be in travel status for a few weeks. Next Update: 03/11/11

February 18, 2011 ICLRU Lecture in Alumni Hall

'The Glorious Revolution of 1688: Neither Glorious nor a Revolution!'

One of ICL's most popular historians is back, Dr. Chuck Middleton covering his favorite subject—British kings.

The 1688 Revolution in Britain brought in a new King and "saved" Protestant rule. It helped shape the history of the nursery rhyme and also contributed to the trillion dollar plus national debt that George Bush bequeathed to Barack Obama.
