Notes from the Center

Unlike last week, it's been a very busy week in the Center. Seven more new members joined for a total of eleven this month. And of course, we have been busy entering all your registration requests. As of this morning, 703 seats have been filled for the Study Groups and 1,460 seats have been filled for the Lectures.

It's likely that a few Study Groups will be overbooked, as well as a couple of Lectures. On Monday, December 20th we will conduct a lottery to fill the overbooked events. On December 29th we will mail out the final confirmation letters.

Be sure to look at the changes in the Lecture Series schedule shown below. We are sorry for the inconvenience this may cause.

NOTE: IN CASE YOU ARE HAVING TROUBLE FINDING US, THE ICLRU WEBSITE LINK (www.iclru.org) IS ALWAYS SHOWN AT THE TOP OF THE ICLRU UPDATE, UNDER THE DATE.

Winter Driving Tips

Courtesy of David (Sully) Sullivan:

Keep your headlights clear with car wax! Just wipe ordinary car wax on your headlights. It contains special water repellents that will prevent that messy mixture from accumulating on your lights - lasts 6 weeks.

Squeak-proof your wipers with rubbing alcohol! Wipe the wipers with a cloth saturated with rubbing alcohol or ammonia. This one trick can make badly squeaking & streaking wipers change to near-perfect silence & clarity.

Ice-proof your windows with vinegar! Frost on the way? Just fill a spray bottle with three parts vinegar to one part water & spritz it on all your windows at night. In the morning, they'll be clear of icy mess.

Vinegar contains acetic acid, which raises the melting point of water---preventing water from freezing!

Prairie Center for the Arts, Schaumburg:
The Presto! Holiday concert is an award-winning youth symphony orchestra.
