What is the difference between revenge and justice?

Notes from the Center

Registration is underway. So far 239 members have registered for Winter study groups, filling 535 seats. 271 members have registered for Winter lectures, filling 1405 seats. You have until Dec. 16th to register and be included in the lottery for overbooked study groups. It looks like *'The Brain'*, *'Google'* and *'World's Greatest Paintings – Tuesday PM & Thursday AM'* sessions will be overbooked and subject to a lottery. It's too early to tell if any lectures will be subject to a lottery.

IT'S THAT TIME OF THE YEAR AGAIN

Bad weather could strike at any time. And that means if it's really, really bad, there could be cancellations — remember the 23 inches of snow last February? If we get into a bad weather situation, be sure to check to see if scheduled events are cancelled. You can do this by calling the Center phone number at 224-523-6497. You can also check our web page at www.iclrु.org, or click on the following link: <http://home.comcast.net/~remasterson/site/>
