ENCORE AND MORE

Tues., March 27, Rm. 329
Tom and Sue Gavigan provide an Encore Presentation, John and Abigail Adams, who were certainly among our most interesting first couples. They are the most documented of our early presidential families, with more than 800 pieces of personal correspondence available to us.

PLATO'S PLACE

Wed., March 28 Rm. 330
Is censorship justifiable? By whom and for what purpose?

THE LIGHTER SIDE!

Thurs., March 29 Rm. 314
Absolutely Irish! A once-in-a-lifetime concert of traditional Irish music by the current great performers of this genre. Along with the music, there's some commentary and some Irish dancing, all recorded in the Irish Arts Center in New York City. Keep the spirit of St. Paddy's Day alive a bit longer!
