PLATO VS. PLAY DOUGH

## PLATO'S PLACE

Wednesday, come to Plato's Place for some lively conversation. Bring your lunch and join the group in room 330 at 11:45 am. The May 1st topic will be: *What in this life is worth dying for?*

Thanks, Char Willour for sending us a poem:

*The computer swallowed Grandma, yes, honestly its true!  
She pressed Control and Enter, and disappeared from view.  
It devoured her completely, the thought just makes me squirm.  
She must have caught a virus or been eaten by a worm.*

*I've searched through the recycle bin and files of every kind;  
I've even used the Internet, but nothing did I find.  
In desperation, I asked Mr. Google my searches to refine.  
The reply from him was negative, not a thing was found online.*

*So, if inside your Inbox, my Grandma you should see,  
Please Copy, Scan and Paste her, and send her back to me.*
