

December 2010

Dear ICLers,

Can you believe it? Thanksgiving has come and gone and more holidays are on the way. Before we all get too busy, I want to make sure you are aware of what's happening with our upcoming winter programs.

On November 30th, the Winter Study Group brochure will be posted to our website (www.iclru.org), and the brochure will be mailed to those without e-mail. Registration will begin on December 13th. As you are all well aware of, some study groups fill up very quickly and we will again need to hold a lottery to determine who will be able to attend these overfilled classes. The lottery will occur after all registrations received through Friday, December 17th have been recorded.

Please note, we have extended the registration time so everyone who registers from Monday, December 13th through Friday, December 17th will have an equal opportunity of getting into the study groups of their choice. There is no reason to get up early on Monday December 13th to register. You'll have the same chance as someone who registers on Friday, December 17th. This way, I hope the influx of registrations will be spread more evenly over the week.

On the same day, November 30th, the Winter Lecture Series brochure will also be posted on our website, and the brochure will also be included in the November 30th mailing to those without e-mail. We have a great lineup and anticipate that many, if not all, of the lectures will be filled to capacity. Since the Penthouse is no longer available, all lectures will be held in Alumni Hall and we must again have pre-registration for the lectures. You will be able to register for the lectures at the same time as the study groups – beginning Monday, December 13, 2010.

THE SEATING CAPACITY OF ALUMNI HALL IS LIMITED AND IT IS VERY IMPORTANT FOR YOU TO REGISTER EARLY. FOR NOW, WE WILL ACCEPT RESERVATIONS FROM ICLRU MEMBERS ONLY. IF WE FIND THAT SPACE IS AVAILABLE FOR NON-MEMBERS AT INDIVIDUAL LECTURES, WE WILL LET YOU KNOW.

Also, please register **only** for the lectures you are sure you will be able to attend. We would hate to turn somebody down, only to find that space is available on the day of the lecture.

I know some of you will be disappointed if you can't get into the lectures or study groups you want, but I hope we will be able to accommodate as many of you as possible. However, we must follow the safety and occupancy guidelines that are set by Roosevelt University.

Please have a happy and safe Holiday season and I look forward to seeing you all in 2011!
