Hello ICLers,

I am very pleased to announce that **Friendship Village of Schaumburg** and ICLRU have renewed our partnership agreement for the year 2010-2011. As in previous years, Friendship Village will be the exclusive sponsor of our 2011 Winter Lecture Series.

We have some great ICLRU events scheduled at Friendship Village's beautiful facility. Betty Haag's **Magical Violin Strings of Youth** will give a Holiday performance at 1:00 pm on Wednesday, December 8th. If you wish to hear "magic," this heartwarming concert is a must. The **Holiday Party**, for the first time, will be held at Friendship Village on Thursday, December 16 at 11:30 am. More details in the near future. If you would like to read more about Friendship Village, search their website at www.friendshipvillage.net

Time is getting short to register for **Oktoberfest** on Wednesday, October 13 at 3:00 pm in Alumni Hall. Please come and enjoy brats, beer, pretzels and other goodies plus an Oompah band for entertainment.

Fall study groups are to the halfway point; it is time to submit your **winter 2011 study group** proposals to Steve Wolf. The proposal forms may be found on our website at <http://iclru.org/> or stop in to the ICLRU Center (room 316) and pick one up from Bob Masterson. Please note, it is essential that all proposals are submitted to Steve no later than November 1 in order to meet printing, posting, and registration deadlines. More coordinators are needed to make our winter 2011 study group session a great success!

The Seminar Committee has planned a special treat for us; an **Architecture Seminar** will be given on Tuesday, November 16 in Alumni Hall. The presenters are members of the American Institute of Architecture at the Art Institute of Chicago; subjects of their talks will encompass both classical and modern architecture. More information about this exciting event is coming.

Some things to remember: When paying for events or renewing your membership, please pay with check or credit card; we cannot accept cash payments. Important note: the Door 1 entrance, closest to the cafeteria elevator, has been closed due to construction in the Penthouse area.

Finally, please don't forget our lunchtime events: **Tuesday Encore, Plato's Place** on Wednesdays, and **The Lighter Side** on Thursdays. Bring your lunch and enjoy interesting presentations and lively discussions with friends.

I hope you are all having as much fun as I am!

Sue Harty, ICLRU President
